

CONSOLIDATED IRRIGATION DISTRICT No. 19

RESOLUTION 2021-6

FIRE HYDRANT WATER USE POLICY

The Board of Directors of Consolidated Irrigation District No. 19 recognizes the following:

WHEREAS, the District’s existing Resolution 2015-7 for fire hydrant water use does not adequately address the various conditions and concerns; and

WHEREAS, the District has determined that in addition to the existing policy the following has been included; and

THEREFORE, IT IS HEREBY RESOLVED;

THAT the attached rate schedule shall apply for fire hydrant water use; and

THAT, an applicant for a District Hydrant Permit must provide a copy of their liability insurance policy naming the District additionally insured. The amount of coverage shall not be less than \$1,000,000 for bodily injury, including death to any one person and, subject to that limit for each person, of not less than \$1,000,000 each occurrence; and property damage of not less than \$1,000,000 each occurrence; and

THAT, a \$500 damage deposit is required on all permits. The damage deposit is required at time of application. Damages caused by neglect, improper use, or abuse to the hydrant, hydrant lock, meter, backflow assembly, gate valve, meter stand or any other equipment will be deducted from the damage deposit by the amount necessary to repair or replace. Unused damage deposit amounts will be returned after the permit period has ended and all equipment and infrastructure has been inspected; and

THAT, only one Hydrant may be listed on the permit application and must be approved by the District prior to use. No other hydrant may be used unless approved in writing by District staff; and

THAT, contractors cannot allow subcontractors to use their hydrant permit without prior authorization from the District staff; and

THAT, the Board of Directors hereby adopts the attached rate schedule for fire hydrant water use; and

THAT, this resolution along with resolution 2015-7 relating to fire hydrant water use is hereby

Adopted this 10th day of February 2021.
